MEMORANDUM FOR MR. THOMAS B. CORMACK
Executive Secretary
Central Intelligence Agency

SUBJECT: National Intelligence Daily

In response to the Director's letter of May 31, 1983, and his subsequent telephone conversation with me, we have begun taking steps to ensure National Security Council Staff compliance with security requirements pertaining to the National Intelligence Daily. The Staff has been apprised of their responsibilities in this regard. Further, as you are aware, we are in the process of reorganizing the NSC Staff, and this reorganization will help meet the Director's requirements by permitting stricter control of all intelligence materials. Our point of contact on these matters is our Director of Intelligence Programs, Kenneth E. deGraffenreid.
